Rengoku-sanAh finally back at the theater. It sure felt good. This is the Mugen train arc that was set up at the end of season 1 of Demon Slayer.I expected the same level of animation in the anime, and this movie delivered that aspect the best way it could. It was pleasure for my eyes to see the flame, water, and thunder breathing techniques on display. The action scenes were breathtaking and intense.My problem was that the plot was pretty simple, which made the movie felt too short. I wanted to learn more about the characters, especially Rengoku, and even the demons. The emotion did not hit as high as it could.Overall, the movie was still a blast. 8.5/10.
